grades**

Membership Grades

The IAT membership structure caters for different educational and professional needs. It is designed to allow you entry at an appropriate level, accurately reflecting your academic standards, vocational skills, experience and contribution to the accounting profession.

IAT offers three grades of membership, choose the membership that's right for you.

Full Membership - CIAT

Becoming a member of IAT enables you to part of a professional body that represents and supports excellence in all aspects of the accounting profession worldwide.

Associate Membership - AIAT

Associate membership is ideal for someone who has a strong interest in the accounting profession and who may at some point wish to study the CIAT program.

Fellowship - FIAT

Fellowship (FIAT) is our highest grade of Membership and is awarded as a hallmark of professional standing and achievement in the financial profession

THE CIAT PROGRAM

Anyone can work towards becoming a CIAT with IAT, whether you're new to the accounting profession or an experienced professional.

Studying for the CIAT designation has never been easier.

On successful completion of the Diploma in Accounting & Finance - Level 5 an application can be made to IAT for the issue of the CIAT . Certified Accounting Technician - certificate.

The Diploma consists of 13 modules and is entirely online, so you can study in your own time and at your own pace. All courses are accredited.

Brentwood Open Learning College - Leaders in Flexible Learning

As leaders in flexible learning, BOLC work to help you build a better future. Study at your own pace as BOLC will work around your schedule.

All our courses are accredited

- ▶ Professional tutoring
- ▶ Study at your own pace and in your own time.
- ▶ All course material provided

THE IAT PROGRAMS

Our certificate courses are offered to suit our member's needs regardless of whether you're a student or already working in the accountancy field.
